# LK SHORT FILM FESTIVAL

MARCH 2025

KOCHI

The LK Film Festival 2025, organized by the film festival domain of the LK Foundation, is a platform dedicated to celebrating emerging talents in filmmaking. This inaugural edition of the festival will take place in March 2025 at the prestigious Gokulam Convention Centre, Kochi. Under the visionary leadership of Festival Director Mr. Rajesh Puthanpurayil, the event promises to be a landmark occasion for cinema enthusiasts and creators alike. More than 100 short films across Kerala will compete, showcasing diverse themes, styles, and perspectives. The festival will honor outstanding achievements in filmmaking over 30 awards across various categories, providing recognition and encouragement to gifted filmmakers.

Adding to the grandeur of the event, renowned figures from cinema, politics, and the cultural world will grace the occasion, lending their support and insights to this celebration of art and storytelling. The LK Film Festival is a cultural confluence, offering opportunities to network, learn, and experience the transformative power of cinema. Join us in Kochi this March to witness the future of filmmaking, unfold on the big screen.

## About LK Foundation

Established in 2003, the LK Foundation is a dedicated trust committed to providing quality services in the fields of education and film production. With its headquarters in New Delhi, an administrative office in Kochi, and branch offices in Bangalore, Coimbatore, and Dubai, the foundation operates across diverse regions to deliver impactful services.

The LK Foundation spans 15 specialized domains in education, career development, and professional training, empowering individuals to achieve their goals and build successful lives. In addition, the group operates two exclusive domains for film production, offering pan-Indian services to support and promote the art of filmmaking.

One of its notable initiatives is the LK Film Festival, a dedicated domain established to organize 20+ film festivals across India. These festivals aim to promote and encourage serious films and foster emerging talents in the film industry. The LK Film Festival also serves as a platform for connecting renowned Indian and international filmmakers, celebrating their work while promoting the rich diversity of art and culture.
